H. Dele Davies, MD – Curriculum Vitae

PERSONAL DATA

Name: H. DELE DAVIES

Professional Address: Academic and Research Services, Room 2022
987810 Nebraska Medical Center
Omaha, NE 68198-7810

Present Rank: Professor (Tenured)

Department: Pediatrics

Institution: University of Nebraska Medical Center

EDUCATION

1977-1979 Davies' College of Education, London, England and
Shoreham College, Sussex, England (High Schools)

1979-1981 Mount Allison University, New Brunswick, Canada (Pre-Med)

1981-1985 MD, Temerty Faculty of Medicine, University of Toronto,
Toronto, Canada.

1991-1993 Master of Science in Community Health (Clinical
Epidemiology), Dana Lana School of Public Health, University
of Toronto.

2006-2008 Master of Science in Health Care Management (MHCM)
Harvard Chan School of Public Health, Boston, MA

ACADEMIC AND OTHER APPOINTMENTS/EMPLOYMENT

July 1, 2024 – Interim Chancellor, University of Nebraska Medical Center
(UNMC)

Oct 5, 2017 – June 30, 2024 Senior Vice Chancellor for Academic Affairs, UNMC

Apr 1, 2012 – Oct 4, 2017 Vice Chancellor for Academic Affairs, UNMC

Apr 1, 2012 – June 30, 2024 Dean for Graduate Studies, UNMC

Apr 1, 2012 – Current Professor, Department of Pediatrics, College of Medicine and
Professor, Department of Epidemiology, College of Public
Health, University of Nebraska Medical Center (UNMC)

Jan 2003 – Mar 2012 Professor and Chair, Department of Pediatrics and Human
Development; Adjunct Professor, Department of Epidemiology,
Michigan State University

Nov 2000 – Dec 2002 Chair, Child Health Research Group, University of Calgary

Oct 1999 – Dec 2002 Director, Calgary Regional Health Authority Home Parenteral
Therapy Program.

Sept 1999 – Dec 2002 Associate Professor, University of Calgary
Department of Community Health Sciences

July 1998 – Dec 2002 Associate Professor, University of Calgary
Departments of Microbiology & Infectious Disease and
Pediatrics
Division of Pediatric Infectious Disease
Alberta Children's Hospital, Calgary, Canada

Sept 1997 – Dec 2002 Director, Child Health Research Unit
Alberta Children's Hospital, Calgary, Canada

Jan 1994 – June 1998 Assistant Professor, University of Calgary

H. Dele Davies, MD – Curriculum Vitae

	Departments of Microbiology & Infectious Disease and Pediatrics, Division of Pediatric Infectious Disease Alberta Children's Hospital, Calgary, Canada
June 1993 – Dec 1993	Assistant Professor, University of Toronto Staff, Division of Infectious Diseases Hospital for Sick Children, Toronto, Canada
June 1992 – Dec 1993	Clinical Associate Staff (Emergency Division) Hospital for Sick Children, Toronto, Canada
Nov 1992 – May 1993	Junior Staff, Division of Infectious Diseases Hospital for Sick Children, Toronto, Canada
July 1992 – May 1993	Development Program Fellow Ontario Ministry of Health Research Personnel
July 1991 – June 1992	CIDS Lilly Fellow in Infectious Diseases Hospital for Sick Children, Toronto, Canada
July 1990 – June 1991	Fellow in Infectious Diseases Hospital for Sick Children, Toronto, Canada
Jan 1990 – April 1990	Volunteer Missionary Consultant Pediatrician Duncan Hospital, Raxaul, Bihar State, India
Sep 1989 – Dec 1989	Clinical Associate Staff (Emergency Division) Hospital for Sick Children, Toronto, Canada
July 1989 – Aug 1989	Consultant Pediatrics Locum Tenens, 707 Charlotte Street, Peterborough, Ontario
July 1986 – June 1989	Pediatric Resident Hospital for Sick Children, Toronto, Canada
July 1985 – June 1986	Comprehensive Internal Medicine Intern Wellesley Hospital, Toronto, Canada

CERTIFICATION AND LICENSURE

2012 – Current	State of Nebraska License #26807
2020 – Current	State of South Dakota Licence #12574
2002 – 2015	Michigan State Medical License # 4301080923, Inactive
1994 – 2012	Province of Alberta. License #011094, Inactive
1991– Current	Royal College of Physicians and Surgeons of Canada Specialty Certificate in Infectious Disease
1989	Royal College of Physicians and Surgeons of Canada Pediatric Specialist Certificate
1987	Licentiate of the Medical Council of Canada
1986	Diplomat of the National Board of Medical Examiners (US), Number 63157

SCIENTIFIC ACTIVITIES

National /Provincial Scientific Study Sections and Review Panels

2019	NIH Director's New Innovator Award Program, ZRG1-MOSS-R70
2017 May	NIH Special Emphasis Panel. ZRG AARR-K, Aids and Related Research
2009-2015	Permanent member: NIAID, NIH Microbiology & Infectious Diseases B Subcommittee (MIDB)
2009	Temporary member, NIAID, NIH Microbiology & Infectious Diseases B Subcommittee

H. Dele Davies, MD – Curriculum Vitae

2004	Neonatal Infectious Diseases Review Team, Pediatric Academic Societies/Society for Pediatric Research.
2002	Ernest C. Manning Foundation Awards Physicians Services Incorporated (Ontario) Canadian Institutes of Health Research
2000	Canadian Institutes of Health Research
1999	Meningitis Research Foundation of the Association of Medical Research Charities, United Kingdom
1997	Research Committee of the International Clinical Epidemiology Network (INCLEN), Physicians Services Incorporated, Ontario
1994	Ontario Ministry of Health

Ad-Hoc Journal Reviewer Current or Previous

Applied and Environmental Microbiology
Archives of Pediatrics and Adolescent Medicine
Canadian Journal of Infectious Disease
Canadian Medical Association Journal
Clinical Infection and Microbiology
Clinical Infectious Diseases
European Journal of Clinical Microbiology & Infectious Diseases
European Journal of Infectious Diseases
Journal of Infectious Diseases
Journal of Pediatrics

Journal of Interprofessional Care and Practice (Elsevier)

GRANT AWARDS / SUPPORT

Current:

Nebraska Collaboration Initiative Grant Application: University of Nebraska Standards-based Technology-Rich Inquiry in Virtual Education (NU STRIVE) for P12 Science and Health Education. Nealy Grandgennett, (PI), H. Dele Davies (CoPI), Dawn Simon (CoPI), Adam Rosen (CoPI), Peggy Moore (CoPI), Kendra Schmid (CoPI), Dawn Simon (UNK, CoPI), Chandra Diaz-De Bose (CoPI).

Robert Wood Johnson Foundation: Summer Health Professions Education Program

Program Site: University of Nebraska Medical Center

H. Dele Davies (Lead PI), Merlyn W. Vogt. (coPI) Phil Covington (coPI), Shirley Delair, (coPI)

10/1/22-09/30/24

Completed:

Robert Wood Johnson Foundation: Summer Health Professions Education Program

Program Site: University of Nebraska Medical Center

H. Dele Davies (Lead PI), Janet Guthmiller (coPI) Phil Covington (coPI), Shirley Delair, (coPI)

H. Dele Davies, MD – Curriculum Vitae

12/1/21-9/30/22

Robert Wood Johnson Foundation: Summer Health Professions Education Program
Program Site: University of Nebraska Medical Center. H. Dele Davies (Lead PI), Janet Guthmiller (coPI)
Phil Covington (coPI). 2/1/20-11/30/21

A Phase 2, Open-label, Multicenter, Multi-cohort Study to Investigate the Safety and Efficacy of
Ledipasvir/Sofosbuvir Fixed Dose Combination in Adolescents and Children with Chronic HCV-
Infection. H. Dele Davies (Site PI), 07/22/15 – 07/21/18
Gilead Sciences Inc. GS-US-337-1116

Robert Wood Johnson Foundation: Summer Health Professions Education Program
Program Site: University of Nebraska Medical Center. H. Dele Davies (Lead PI), Janet Guthmiller (coPI)
Cheryl Thompson (coPI), 2/1/19-11/30/20

Robert Wood Johnson Foundation: Summer Health Professions Education Program
Program Site: University of Nebraska Medical Center
H. Dele Davies (Lead PI I), Janet Guthmiller (coPI) Cheryl Thompson (coPI), 12/1/18-11/30/19

Robert Wood Johnson Foundation: Summer Health Professions Education Program
Program Site: University of Nebraska Medical Center. H. Dele Davies (Lead PI), Janet Guthmiller (coPI)
Cheryl Thompson (coPI), 12/1/17-11/30/18

Robert Wood Johnson Foundation: Summer Health Professions Education Program
Program Site: University of Nebraska Medical Center. H. Dele Davies (Lead PI), Janet Guthmiller (coPI)
Cheryl Thompson (coPI), 10/1/16-12/31/17

Robert Wood Johnson Foundation: Summer Health Professions Education Program
Program Site: University of Nebraska Medical Center, H. Dele Davies (Lead PI), Janet Guthmiller (coPI)
11/1/15-10/31/16

Bill and Melinda Gates Foundation. Infectious disease measurements and vaccine impact assessment
capacity development in Nigeria. Stephen Obaro (PI). Role: Co-investigator, 8/01/2011-10/31/2016

National Institutes of Allergy and Infectious Diseases. Enteric Research Investigator Network (ERIN)
CRC: Host-microbiota-pathogen interactions govern enteric health and disease. 1U19AI090872-01 Linda
Mansfield (PI). Role: Co-investigator, 09/1/2010-08/31/15

Robert Wood Johnson Foundation; Summer Medical and Dental Education Program
Program Site: University of Nebraska Medical Center. H. Dele Davies (Lead PI), Janet Guthmiller (coPI)
11/1/14-10/31/15

Robert Wood Johnson Foundation; Summer Medical and Dental Education Program. Program Site:
University of Nebraska Medical Center. H. Dele Davies (Lead PI), John Reinhardt (coPI) 11/1/12-
10/31/14

National Institutes of Child Health and Human Development (NICHD) T32

H. Dele Davies, MD – Curriculum Vitae

Training Clinical Researchers for Community Settings. Nigel Paneth (Director), Role: Associate Director. 05/1/05-03/30/12

Blue Cross- Blue Shield of Michigan, Promoting Healthy Eating and Physical Activity among Elementary School Children in Grand Rapids through Project FIT. Denise Holmes (PI). Role: Co-investigator. 10/1/2009-12/31/2011

National Institutes of Health (R01). Genetic Diversity and Molecular Epidemiology of GBS
Role: PI. 06/15/2005-02/28/2009

GBS and Vaginal Microbial Flora: Non-Culture Methods
College of Human Medicine, Michigan State University. H. Dele Davies (PI)

Michigan Community Health. Multilevel analysis of Medicaid maternal and infant support services in Michigan. Leanne Roman (PI). Role: Co-investigator. 2003-2006

Michigan Community Health. Electronic Health Literacy for Michigan's Medicaid Population. Pamela Whitten (PI). Role: Co-investigator, 2004-2006

Alberta Children's Hospital Foundation. Real-Time Polymerase Chain Reaction-Based Assays for the Rapid Diagnosis of Neonatal Sepsis. Sameer Elsayed (PI)
Role: Co-investigator, 01/01/02-04

Alberta Children's Hospital Foundation. An exploration of key issues and concerns around Group B Streptococcus (GBS) vaccination during pregnancy from two perspectives: women of childbearing age and care providers. Role: PI, 06/01/01-03

Meningitis Research Foundation of England. Multi-locus sequence typing of serotype III group B streptococcus and correlation with pathogenic potential. Role: PI, 11/01/01-10/31/02

Infectio Diagnostic Inc. Clinical validation of the molecular-based assay AmpliStrep B™ and of the automated analyzer Smart Cyclo™ for the direct detection of Group B streptococcus in vaginal/anal specimens from intrapartum maternity patients. Role: Site Principal Investigator, 2002

Canadian Institutes of Health Research Training Programs Grant. Canadian Child Health Clinician Scientist Program. Norman Rosenblum (PI). Role: Co-applicant, site principal leader for University of Calgary. 2002

Canadian Institutes of Health Research Training Programs Grant.
Genetics Training Program. James C. Cross (PI). Role: Co-applicant. 2002

Alberta Heritage Foundation for Medical Research Summer Studentship
Case Control Study of Late Onset Neonatal Group B Streptococcal Infections. Harvey Quon (PI). Role: Co-PI, Supervisor. 2001

Alberta Heritage Foundation for Medical Research Summer Studentship
Streptococcal Immunogenic Protein related studies. Katherine Murrin (PI). Role: Co-PI, Supervisor, 2001

H. Dele Davies, MD – Curriculum Vitae

Canadian Institutes of Health Research, #MOP-49411. Epidemiology of Community-Acquired Methicillin Resistant *Staphylococcus aureus*. Marie Louie (PI), Role: Co-Investigator, 10/01/01-09/30/03

Calgary Laboratory Services Research Grant. Utilization review of urinalysis in a centralized regional laboratory service. Dierdre Church (PI), Role: Co-Investigator, 2001

Stollery Children's Health Centre, Children's Health Foundation. Prevalence and molecular characterization of Non-0157 VTEC serotypes from stool specimens in a pediatric population: application of molecular assays. Marie Louie (PI). Role: Co-investigator, 2001 – 2002

University of Calgary, AHFMR Travelling & Visiting Lecturers Award. 41ST Annual ICAAC Interscience Conference on Antimicrobial Agents and Chemotherapy, Chicago, IL. Role: PI. 12/17/01-12/19/01

Viropharma Inc. A Randomized, Double-Blind, Placebo-Controlled Study to Evaluate the Clinical Efficacy, Virologic Activity, and Safety of Pleconaril (Oral Suspension) in the Treatment of Viral Respiratory Infection in Children 7-12 Years of Age. Role: Site PI. 09/01/01-03/31/02

Viropharma Inc. A Randomized, Double-Blind, Placebo-Controlled Study to Evaluate the Clinical Efficacy, Virologic Activity, and Safety of Pleconaril (Oral Suspension) in the Treatment of Viral Respiratory Infection in Children 1-6 Years of Age. Role: Site PI. 09/01/01-03/31/02

SHIRE Biologics. A Randomized, Blinded, Placebo-Controlled Cross-Over Study Evaluating the Incidence of Oculo-Respiratory Syndrome (ORS) Following Intramuscular Administration of 2001 – 2002 Season Fluviral® S/F Vaccine to Healthy Adults 30-59 Years of Age, who did not have ORS Last Season.

SHIRE Biologics. A Randomized, Blinded, Placebo-Controlled Cross-Over Study of the Safety of Fluviral® S/F Vaccine (2001 - 2002 Season) in Adults who Experienced Oculo-Respiratory Syndrome in the 2000 – 2001 Season Following Administration of Fluviral® S/F Vaccine. Margaret L. Russell (PI). Role: Co-investigator, 2001

Pfizer Pharmaceuticals. Canada Neonatal Candidiasis Study. Pediatric Collaborative Network on Infections in Canada (PICNIC). Susan Richardson (PI). Role: Co-PI. 2000-2002

Alberta Children's Hospital Foundation. GBS Surface Immunogenic Protein (Sip) Antibody Related Studies. Role: PI, 01/01/00-04/30/00

Calgary Regional Health Authority Grant. Incidence and risk factors for acquiring invasive *Staphylococcus aureus* (ISA) infection in Calgary: a population-based study. Role: PI, 2000-2001

The Hospital for Sick Children. Post-transplant lymphoproliferative disease: a randomized trial of ganciclovir among solid organ recipients. Atul Humar (PI), Role: Co-Investigator, 1999

Alberta Intellectual Infrastructure Partnership Program (IIPP) and Science and Research Fund. Capital costs for Child Health Research Center, Alberta Children's Hospital, Richmond Road SW, Calgary, Canada. Role: Co-PI with Brent Scott

H. Dele Davies, MD – Curriculum Vitae

MRC - Burroughs Wellcome Student Research Award. Pulse Field Gel Electrophoresis Patterns of Alberta Group B. Streptococcus (GBS) isolates. Makela Nkemdirim (PI). Role: Supervisor, 1999

Bayer Healthcare/MRC/CIDS Infectious Disease Research Fellowship Award. AHFMR Incentive Award. Kevin Laupland (PI). Role: Supervisor, 1999

MRC - Burroughs Wellcome Student Research Award. Risk factors for neonatal GBS disease in Alberta neonates. Jonathan Chan (PI). Role: Supervisor, 1998

Medical Research Council of Canada Grant. Canadian Institutes of Health Research. Population based study of invasive Group B streptococcal infections and cohort study of maternal GBS immunity in Alberta. Role: PI, 10/01/98-09/30/99

Calgary Laboratory Services Research Grant. Clinical and economical evaluation of rapid diagnostic virology service for influenza A: a pilot project. Dierdre Church (PI), Role: Co-Investigator. 1998

Viropharma Inc. A multicenter, double blind, placebo-controlled trial of pleconaril in the treatment of enteroviral meningitis in children and adolescents. Role: Site PI, 1998-1999

Alberta Children's Hospital Foundation. Transition from pediatric to adult care services for patients with diabetes: is there a loss to follow up? D. Pacaud (PI). Role: Co-Investigator, 01/01/98-1999

Government of Alberta Intellectual Infrastructure Partnership Program. Funding for research stations for child health research, CRHA. Brent Scott, H. Dele Davies (Co-PI) 1998

Roche Canada. Canadian Acute Respiratory Infections Score: Validation. E. Wang (PI). Role: Co-investigator, 12/01/07-05/31/98

Summer Temporary Employment Program. Clinical and microbiologic features of children presenting with *Streptococcus pneumoniae* to a Canadian pediatric hospital over a 2-year period. Dina Taub (PI). Role: Supervisor, 1996

Alberta Heritage Foundation for Medical Research Summer Studentship. Case-control study of risk factors for neonatal Group B streptococcal disease in Alberta. Jayson Stoffman (PI), Role: Supervisor, 1996

MedImmune Inc. A pivotal phase 111 study of Medi-493, a humanized respiratory syncytial virus (RSV) Monoclonal Antibody, for the Prophylaxis of Severe RSV Disease in Premature infants and infants with Bronchopulmonary Dysplasia (BPD). Role: Site PI, 1996-1997

Alberta Children's Hospital Foundation. Invasive and Nasopharyngeal Isolates of Streptococcus pneumoniae (pneumococcus): correlation of serotypes and pulsed-field gel electrophoresis patterns. Kellner J (PI). Role: Co-Investigator, 12/01/96-1996

Centers for Disease Control and Prevention. Surveillance for Meningitis/Invasive Bacterial Disease in Ontario and Related Studies. Allison McGeer (PI). Role: Co-Investigator, 01/01/95-12/31/97

Health Services Research Innovation Fund. Impact of Management Guidelines on Neonatal GBS Sepsis. Role: PI, 1995-1997

H. Dele Davies, MD – Curriculum Vitae

Pfizer pharmaceuticals. Safety and Efficacy Comparative Study of Oral Azithromycin and Ilosone in the treatment of children with infections caused by *Bordetella pertussis*. S. Halperin (PI). Role: Co-Investigator, 1995-2000

National Health Research and Development Program. Surveillance to assess the impact of expert guidelines on antepartum screening, intrapartum prophylaxis for and incidence of neonatal Group B streptococcal disease. Role: Co-PI with Dr. Allison McGeer, 1995-1998

Alberta Heritage Foundation for Medical Research Summer Studentship. Surveillance for detection and establishment of risk factors for neonatal Group B streptococcal disease. Arathi Mokashi (PI), Role: Supervisor, 1995

Prader-Willi Syndrome Association of America. Prevalence of Cancer in patients with Prader-Willi Syndrome. Duration: 9 months. M. Coppes (PI). Role: Co-Investigator, 1994

Southern Alberta Clinical Studies. Safety and immunogenicity of Connaught Component Pertussis vaccine in combination with Diphtheria and Tetanus Toxoids Adsorbed Alone or in Combination with One of Two Inactivated Poliomyelitis Virus Vaccines or oral Poliomyelitis Vaccine in Children 17-19 Months of Age. S. Halperin, PI. Role: Site PI, 09/01/94-12/31/94

National Institute of Health (USA) BB-IND-4126. Efficacy of Pertussis Immunoglobulin Intravenous. S. Halperin (PI). Role: Co-Investigator, 1994

Alberta Children's Hospital Foundation. Pharyngeal Colonization with Respiratory viruses and The Likelihood of GAS Persistence after GAS Pharyngitis. Role: PI, 09/01/94-08/31/96

Lederle Pharmaceuticals. Prospective study for RSV infection in children with underlying complicated congenital heart disease or chronic lung disease. Elaine Wang (PI). Role: Co-Investigator, 1994-1995

Smith Kline Beecham Pharmaceuticals. A Double-blind, randomized, dose ranging, placebo-controlled study to assess the safety and efficacy of single IV doses of SB209763 in infants and children hospitalized with RSV infection. Role: Site PI, 1994-1996

Smith Kline Beecham Pharmaceuticals. A Double-blind, randomized, dose ranging, placebo-controlled study to assess the safety and efficacy of multiple IM doses of SB209763 in infants and young children with underlying diseases as prophylaxis against the development of serious RSV infection. Role: Site PI, 1994-1996

Jane and Howard O Jones Trust Fund Award. Determinants of behavior related to HIV acquisition in the Natal Province of South Africa, Report submitted to Medical School. Katherine Crosby (PI), Role: Supervisor, 1993

Jane and Howard O Jones Trust Fund Scholarship Award. Effect of maternal education and culture on health of the female child in Gujarat, India. Written Report submitted to Medical School. Fahrin Shariff (PI). Role: Supervisor, 1993

H. Dele Davies, MD – Curriculum Vitae

Medical Research Council of Canada. Clinical and microbiologic features of children presenting with pertussis to a Canadian pediatric hospital over a 10-year period. Results published in the Pediatrics Infectious Diseases Journal, Michelle Buisson (Gordon) (PI). Role: Supervisor, 1994.

The Physicians Services Incorporated Foundation Grant. Randomized Trial of One Versus Four Hours Amphotericin B Infusions in Children. , Susan King (Co-PI). Role: Co-PI, 1992-1993

Ontario Ministry of Health. Grant #04108/ Etiology of lower respiratory infections in infants. Role: Co-PI, 04/01/91-12/31/92

Center for Disease Control (Atlanta) RFP # 200-91-0929. Risk factors for secondary spread of invasive Group A streptococcal infections and prevention with chemoprophylaxis. DE Low (PI). Role: Co-Investigator

RESEARCH INTERNAL ADVISORY COMMITTEE MEMBER

NIH Phase 1 Centers of Biomedical Research Excellence (COBRE) grant for the Center for Heart and Vascular Research. Rebekah Gundry, PI. \$11.8m, 12/1/2023- 11/30-28. Davies D, Member IAC.

NINDS Institutional Training Grant, Neuroimmunology of Disease Training Program. Dan Monaghan, Program Director. \$1,069,360. 7/1/23-6/30/28. Davies D, Member IAC.

PATENTS

Davies D, Lacher DW, Whittam T, Manning S. PCR Based capsular typing Method May 2009 US Patent Number 7531309.

HONORS AND AWARDS

2022 University of Toronto Temerty Faculty of Medicine Dean's Alumni Lifetime Achievement Award for International Impact

2022 Boys and Girls Clubs of the Midlands Eagle Award

2021 Boys and Girls Clubs of the Midlands Founders Award

2020 Boys and Girls Clubs of the Midlands Spirit of Progress Award

2019 Boys and Girls Clubs of the Midlands Corporate Partner Award

2017 Boys and Girls Clubs of the Midlands Man and Youth Award

2015 Recipient of the inaugural H. Dele Davies Inspiration Award (given by namesake not-for profit organization, The Davies Project; [http://www.thedaviesproject.org/.](http://www.thedaviesproject.org/))

2014 Inaugural Fellow of the Pediatric Infectious Diseases Society

2012 William B. Weil Jr. MD Endowed Distinguished Pediatric Faculty Award, Michigan State University

2011 Samuel W. Clausen Visiting Professor and Lecturer, University of Rochester

2010 Elected Fellow of the Infectious Diseases Society of America

2006 – 2023 Continuous Annual Election as member of "Best Doctors in America"

2006 Michigan State University Outreach and Engagement Senior Fellow Award

2005 Elected member of the American Pediatric Society

2004 Grant Gall Visiting Lecturer Award, Alberta Children's Hospital, Calgary, Alberta

2003 Induction into Alpha Omega Alpha National Honor Medical Society

2003 Elected member of the Society for Pediatric Research

2003 Big Ten Academic Alliance Leadership Academic Leadership Program (ALP) Fellowship Award, 2003-2004 (Formerly Committee on Institutional Cooperation (CIC) ALP)

H. Dele Davies, MD – Curriculum Vitae

- 2002 Watanabe Distinguished Achievement Award for Overall Excellence
University of Calgary, Faculty of Medicine
- 2002 Gold Star letter for Excellence in Teaching in the Human Development Course
University of Calgary, Faculty of Medicine, Medical School Class of 2003
- 2002 Invited Inspirational Guest Speaker for 1st Year Medical Students Orientation, Class of 2005
- 2001 Watanabe Distinguished Achievement Award for Overall Excellence,
University of Calgary, Faculty of Medicine
- 2001 Gold Star letter for Excellence in Teaching in the Human Development Course
University of Calgary, Faculty of Medicine, Medical School Class of 2002
- 2001 Gold Star letter for Excellence in Teaching in the Principles of Medicine Course.
University of Calgary Medical School Class of 2004
- 2000 –2005 Alberta Heritage Foundation for Medical Research Scholar Award
- 2000 Associate Dean’s Letter for Outstanding Teaching Excellence in the Undergraduate Curriculum, University of Calgary
- 2000 Gold Star letter for Excellence in Teaching in the Principles of Medicine Course.
University of Calgary Medical School Class of 2003
- 2000 Gold Star Letter for Outstanding Teaching in Human Development Course
University of Calgary Medical School Class of 2001
- 1999 Gold Star Letter for Outstanding Teaching in Human Development Course
University of Calgary Medical School Class of 2000
- 1999 Associate Dean’s Letter for Outstanding Teaching Excellence in the Undergraduate Medical School Program, University of Calgary
- 1995 Invited Graduation banquet Guest Speaker of the University of Calgary, Med Class of 95
- 1995–2000 Alberta Heritage Foundation for Medical Research Clinical Investigator Award
- 1994 –1995 Alberta Children's Hospital Pediatric House-staff “Best Clinical Teacher of the Year” Award
- 1994 –1995 Nominee, Professional Association of Interns and Residents of Alberta: Best Clinical Teacher Award.
- 1993 American Society for Microbiology Fellow Sustaining Member Travel Grant Award for the Interscience Conference on Antimicrobial Agents and Chemotherapy.
- 1992 Division of Infectious Diseases and Microbiology Research Day Lederle Joint First Prize for: Chemoprophylaxis of asymptomatic Group A streptococcal pharyngeal carriage.
- 1992 Hospital for Sick Children Foundation Humanitarian award: “In special recognition of compassion and sensitivity combined with clinical excellence demonstrated during training at The Hospital for Sick Children.”
- 1992 –1993 Ontario Ministry of Health Research Personnel Development Program Fellowship award
- 1991 –1992 Canadian Infectious Diseases Society Lilly Fellowship award
- 1987 Tisdall Award for Best Pediatric Resident Research Project, Hospital for Sick Children, Toronto
- 1982 Medical Alumni Scholarship, University of Toronto, Canada
- 1979 –1981 Deans' Honors List
- 1979 –1980 Obed Edmund Smith Prize: Highest class average, Honors Bachelor of Science program, Mount Alison University, Sackville, NB, Canada.
- 1979 –1981 Elected Class Vice President
- 1977 –1979 Headmaster's Prize: “Hardest working student”, Shoreham College, England

H. Dele Davies, MD – Curriculum Vitae

HONORS TO STUDENTS SUPERVISED

2010	Best Student Presentation during the 5 th Annual Lansing Community Graduate Medical Education Inc. Research Day to Ms. Amy Yeh, (Second Year MSU CHM Medical Student).
2000	Canadian Infectious Diseases Society/MRC Award, To Dr. Kevin Laupland (H. Dele Davies, Supervisor).
1998	Canadian Infectious Diseases Trainee Award for Best Abstract at the Conjoint Meeting on Infectious Diseases to Dr. Kevin Laupland (H. Dele Davies, Supervisor)
1994 –1995	Canadian Infectious Diseases Research Fellowship Award to: Dr. Susan Kuhn (H. Dele Davies, Supervisor).

MEMBERSHIPS AND OFFICES IN PROFESSIONAL SOCIETIES

Canadian Infectious Diseases Society	(1992 -2003)
American Society for Microbiology	(1999-2020)
Alberta Medical Association	(1993- 2014)
American Association of Pediatrics	(1992-present)
Royal College of Physicians and Surgeons of Canada	(1989-present)
Infectious Diseases Society of America	(2014-present)
Pediatric Investigators Collaborative Network on Infections in Canada	
Canadian Pediatrics Society	(1989 - 2003)
Society for Pediatric Research	(2003-present)
American Pediatric Society	(2005-present)
Association of Medical School Pediatric Department Chairs (AMSPDC)	(2003-2012)
Pediatric Infectious Diseases Society	(2014-present)
Council of Graduate Schools	(2012–present)

OTHER PROFESSIONAL DEVELOPMENT

2023	Certified Coach with Spiro Coaching Institute.
2019 and 2020	Design Thinking Workshops led by Kathryn Segovia, PhD, Director of Stanford University d-school.
2012 –2014	Various UNMC coaching and culture development opportunities with GAP international and Kramer Leadership.
2003-2011	Various MSU “MULTI” leadership sessions
Nov 13-18, 2005	Harvard School of Public Health: Advanced Leadership Strategies for Health Care Executives - Meeting the Challenge
Jan 16-28, 2005	Harvard School of Public Health, Program for Chiefs of Clinical Services
May 25-27, 2004	AAP 2004 Legislative Conference (Washington DC).

COMMITTEE AND ADMINISTRATIVE SERVICE

National and International Committees, Service and Board Membership:

2023	Member	Association of Academic Medical Colleges (AAMC) Lou W. Sullivan Award Selection Committee
2023-	Member	Advisory Committee to the National Institutes of Health (NIH) Deputy Director for Intramural Research
2022	Member	Centers for Disease Control and Prevention (CDC) Expert Topic Sessions on Antimicrobial Prophylaxis and Treatment of Tularemia During a Mass Casualty Event

- 2003 Canadian Perinatal Surveillance System Meeting, Ottawa, Canada, Mar 13: *Neonatal GBS Disease in Canada: An Update*.
- 2003 Canadian Infectious Diseases Society / Canadian Association of Medical Microbiologists Joint Meeting, Quebec City, Canada, Mar 8th. *State of The Art Lecture: Neonatal Group B Streptococcal Diseases: Update on Prevention Strategies*.
- 2003 Helen Devos Children’s Hospital Grand Rounds. Feb 12th. *Neonatal Group B Streptococcal Diseases: Update on Prevention Strategies*.
- 2003 University of Michigan GBS symposium, Sep 25th. *Relationship of GBS Capsular Serotype and Multi-Locus Sequence Type to Neonatal GBS Disease in Alberta, Canada*.
- 2002 Spanish and European Societies of Microbiology and Infectious Diseases Consensus Conference on Neonatal Group B Streptococcal Infections. Granada, Spain, November 17-20. *Canadian Experience with Neonatal Group B Streptococcal Infections*.
- 2002 Infection Diagnostic Satellite Symposium with IDSA on Group B Streptococcal Infections. *Newborn GBS Infections: Can We Minimize Them? Results of An Investigational Study with a Rapid Molecular Test Kit*. Chicago, Illinois, Oct 23.
- 2002 Bacterial Pathogenesis Research Group. *Antibodies to Capsular Polysaccharides of Group B Streptococcus in Pregnant Women: Relationship to Colonization Status and Infection in The Neonate*. University of Calgary, Sep 23.
- 2002 Montreal Children’s Hospital, McGill University, Grand Rounds, Sept 18. *Neonatal Group B Streptococcal Infections*.
- 2002 Canadian Bacterial Diseases Network Meeting, Saskatoon Radisson Hotel, June 17th. Keynote Lecture: *Challenges of Immunization Pregnancy and Immunization: Is the Upside Worth the Downside?*
- 2002 University of Calgary Department of Community Health Sciences Seminar Series. June 4th. *Surveillance, case-control and cohort studies of the epidemiology and risk factors for neonatal group B streptococcal infections in Alberta*.
- 2002 Oxford University, John Radcliffe Hospital Invited Lectures, June 6-24.
1. June 27: *Neonatal Grand Rounds: Update on Group B Streptococcal Infections*.
2. June 26: “*Septic Spot*” teaching for Peds Residents
3. June 25: *Infectious Diseases Case-Conference Rounds*
- 2002 Canadian Society of Microbiology and Laboratory Sciences Congress. Telus Convention Center, Calgary, May 22. *Update on Group B streptococcal Infections in Canada*.
- 2002 10th Annual Western Perinatal Research Meeting, Banff center, Banff, Alberta, Feb 15th: *Population Based Surveillance for Neonatal Group B Strep and related Studies - implications for vaccine formulation*. Also, Moderator, afternoon sessions and panel discussion.
- 2002 11th Annual International Pediatric Infectious Diseases Conference, Banff, Alberta, Feb 8th. *Group B Streptococcal Infections, are We Moving Forward?*
- 2001 University of Calgary International Health Program Telemedicine Conference with University of Sapporo, Japan, Dec 3rd. Responder to presentation: “*Etiologic Agents of Lower respiratory Tract Infections in Hokkaido, Japan*”

H. Dele Davies, MD – Curriculum Vitae

- 2001 University of Calgary CME Evening Course (Family Physicians), Nov 21st.
1. *When and How to Use Antibiotics for Selected Problems In Children.*
2. *Differentiation of Viral from Community Acquired Pneumonias.*
3. *Use of Antibiotics for Otitis and Meningitis.*
- 2001 The Belgian Society of Infectiology and Clinical Microbiology in collaboration with the Belgian Society of Gynecology-Obstetric and the Belgian Society of Pediatricians. November 15-18. *How to Manage a Newborn Baby from a mother with Risk of GBS and Implementation of GBS Guidelines in Canada.* 250 attendees.
- 2001 Infectious Diseases Society of America, 39th Annual Meeting, Oct 26th. Moderator for symposium on “*All About Streptococci*”
- 2001 American Academy of Pediatrics- Practical Paediatrics CME Course, Vancouver, BC, Canada, Oct 4-6, Invited Presentations.
1. *Necrotizing Fasciitis*
2. *Urinary Tract Infections*
3. *Fever Without Focus* and
4. *Paediatric Rashes: A Systematic Approach to Diagnosis.* (3 sessions)
- 2001 University of Calgary Child Health Research Group Rounds, Sep 25th. *Would You Like a CONSORT? Planning and Reporting of Parallel Group Randomized Trials.*
- 2001 University of Calgary Symposium on Pharmaceutical Drug Trials,, Sep 19th. How to Get Started and Why Do Them?” Two presentations as member of panel.
1. *Managing Multiple Studies* and
2. *Recruitment Strategies”*
- 2001 Motivational Guest Speaker, University of Calgary, Faculty of Medicine First Year Students, Orientation Day, Aug 8th.
- 2001 Association of Nigerian Physicians in the Americas, June 20-24. 7th Annual Convention & Scientific Assembly. Session Moderator
- 06/05/2001 University of Calgary CME. “Personal Digital Assistant Device: A Tool for Clinical Work and Teaching”. Presentation on: *Using the PDA For Clinical Information and as Clinical Calculators* and Task Force Leader for: “*Clinical Teaching in Ambulatory and Acute Care Settings*”.
- 04/26/2001 University of Calgary CME: Evidence Based Medicine “*Critical Appraisal of a Therapy Article*” and “*Critical Appraisal of a Diagnostic Article*”.
- 04/17/2001 Calgary Medical Society Dinner Meeting. *How to Get Involved in Medical Humanitarian Efforts*”.
- 03/31/2001 University of Calgary Global Health Interest Group Conference “A Health Odyssey”. *Issues to Consider When Planning for Cross-Cultural Medical Humanitarian Efforts.*
- 03/19/2001 Southern Alberta Public Health Nurses Symposium. *Varicella Complications.*
- 02/08/2001 10th Annual International Pediatric Infectious Diseases Conference. *Prophylactic Antibiotic Use in Children – Common Sense Approach.*
- 10/30/2000 Infectious Diseases Research Group Seminar Series. *Group B Streptococcus Antibodies and Invasive Disease in Neonates.*
- 08/18/2000 4th World Rural Medicine Congress (WONCA). *Approach to Fever “two points of view”.* Westin Hotel, Calgary.
- 04/04/2000 6th Annual Alberta Children's Hospital Child Health Research Symposium. *Measuring the Reliability of The Chest X-Ray in Diagnosing Lower Respiratory Infections in Children.*
- 03/10/2000 University of Calgary Community Medicine Departmental Rounds. *Prospective Population Based Cohort Study of Invasive Group A Streptococcal Infections: Who’s at Risk?*

H. Dele Davies, MD – Curriculum Vitae

- 03/07/2000 University of Calgary CME Southern Alberta Telemedicine Conference. *Antibiotic Resistance and Related Issues.*
- 02/27/2000 Advances in Pediatric Medicine, Buffalo Mountain Lodge. *Spots Bumps and Changes in Skin Color, Is There a Systematic Approach to Come to a Right Diagnosis?*
- 02/25/2000 45th Annual Assembly, Alberta Chapter, College of Family Physicians. Kananaskis, Alberta. Plenary Session: *Bugs Rule! Antibiotic Resistance.*
- 02/25/2000 45th Annual Assembly, Alberta Chapter, College of Family Physicians. Kananaskis, Alberta. Small Group Session X 2: *Antibiotic Resistance.*
- 02/23/2000 17th Annual University of Calgary Therapeutics Course, Calgary. *Necrotizing Fasciitis.*
- 02/11/2000 9th Annual International Pediatric Infectious Diseases Conference, Banff, Alberta.
1. *Skin and Soft Tissue Infection: A Common-Sense Approach to Outpatient Management*
2. *Fever No Focus of Infection: An E-Z Approach in the New Millennium.*
- 02/01/2000 University of Calgary CME Southern Alberta Telemedicine Conference. *Neonatal group B streptococcal infections.*
- 12/3-4/1999 EBV Infection in Transplant Recipients, Current Challenges.
- 11/25/1999 24th Annual Family Practice Review and Update Course, 1999. *Pertussis: Current Status, When to Swab.*
- 10/12/1999 Alberta Children's Hospital, Child Health Research Unit Rounds. *Population Based Case-Control Study of Risk Factors for Early Onset GBS Disease in Alberta.*
- 05/27/1999 University of Calgary, Foothills Hospital Ground Rounds. *Group A Streptococcal Infections.*
- 05/26/1999 University of Calgary, Calgary Laboratory Services. *Neonatal Group B Streptococcal Infections.*
- 05/11/1999 University of Ottawa Joint Adult and Pediatric Infectious Diseases Seminar. *Invasive Group A Streptococcal Infections.*
- 05/06/1999 National Varicella Consensus Conference, Montreal. Chair of Concurrent Working Group Session: *Varicella Vaccine Use in Special Populations.*
- 05/05/1999 National Varicella Consensus Conference, Montreal. *Risk and Incidence of Group A Beta Hemolytic Streptococcal Infections in Varicella.*
- 05/03/1999 University of Calgary Infectious Diseases Research Group Seminar Series. *Invasive Group A streptococcal infections.*
- 02/15/1999 University of Laval, Department of Microbiology and Infectious Diseases Grand Rounds. *Neonatal Group B Streptococcal Infections: "State of the Art".*
- 02/06/1999 8th Annual International Pediatric Infectious Diseases Conference.
1. *Rise and Fall and Rise Again of Streptococcus A Infections And Its' Complications - What To Expect In The New Millennium*
2. *Spots Bumps and Change In Skin Color, Is There Is a Systematic Approach to Coming to The Right Diagnosis?*
- 12/3-9/1998 Annual Canadian National Immunization Conference. Partnerships for Health through Immunization. Calgary Convention Center. *Rotavirus Vaccine.*
- 11/07/1998 University of Calgary: CME, Clinical Trials, Preparing for the New Millennium. *Common Errors in Trial Design: Case Studies.*
- 10/15-28/98 Annual Obstetrics, Antenatal Care and Menopause Conference, University of British Columbia.
1. *BV, Group B Strep, HSV in pregnancy: Vaginal Infection, Prophylaxis and Neonatal Outcome*
2. *The Newborn and Infection: Prophylaxis Problems and Pearls.*
- 10/15/1998 Calgary Pediatric Society Meeting. *Antimicrobial Resistance.*

H. Dele Davies, MD – Curriculum Vitae

- 06/11/1998 University of Calgary Medical Bioethics Study Group. *Impact of Tuskegee Syphilis Surveillance Study on Participation by US Minorities in Research Studies.*
- 06/01/1998 Alberta Association of Travel Health Professionals Second Annual Travel Health Conference. *Acute Mountain Sickness.*
- 05/29/1998 University of Calgary Pediatrics Update: Should antibiotics be used for URIs, Otitis Media, Bronchitis, Pharyngitis or Sinusitis?
- 05/29/1998 University of Calgary Foothills Hospital Obstetrics Rounds. *Infections during pregnancy.*
- 05/15/1998 20th Annual Perinatology Conference: “Perinatology Update”. *Neonatal Group B Streptococcal Infections: State of the Art.*
- 05/16/1998 Community and Hospital Infection Control Association of Canada (CHICA) 1998 National Educational Conference, General Session. *Establishing Group B strep prevention programs.*
- 05/05/1998 Community & Hospital Infection Control Association of Canada (CHICA) 1998 National Educational Conference, Concurrent Session. *Invasive Group A Streptococcal Infections.*
- 04/3-4/1998 Annual Alberta Children’s Hospital Child Health Research Symposium. *Impact of Tuskegee Syphilis Surveillance Study on Participation by US Minorities in Research Studies.*
- 04/3-4/1998 Annual Alberta Children’s Hospital Child Health Research Symposium. *Establishing Group B Streptococcal Surveillance, Alberta and Worldwide.*
- 03/21/26/98 Annual Charles T Fried University of Alberta Residents Conference. Updates in Pediatrics.
1. *Invasive Group A Strep Infections in Pediatrics*
2. *Fever in the child < 36 months.*
- 03/20/1998 Calgary Therapeutics Course. *Invasive Group B Streptococcal Infections.*
- 02/11/1998 University of Calgary combined Pulmonary/ ID Seminar Series. *Vertically Transmitted Organisms: Role in Infantile Respiratory Infections.*
- 02/07/1998 7th Annual International Pediatric Infectious Diseases Course, University of Calgary. Banff, Alberta. Speaker of the Royal College of Physicians and Surgeons of Canada.
1. *Update on Management of Bacterial Meningitis*
2. *Antibiotics, Antibiotics and Why More Antibiotics?*
- 01/19/1998 University of Calgary Infectious Diseases Research Group Seminar series. *Neonatal GBS Infections: State of the Art*
- 11/27/1997 University of Calgary, Global Health Interest Group. *Major Threats to the Health of Children Worldwide.*
- 11/18/1997 University of Calgary, Alberta Children’s Hospital Grand Rounds. *Neonatal and Other Invasive GBS Infections: The State of the Art.*
- 10/02/1997 Alberta Society of Medical Laboratory Technologists and British Columbia Society of Medical Technologists (ASMLT / BCSMT) Joint Congress, 1997. *Invasive GAS Infections: The State of The Art.*
- 05/24/1997 *Phonsovan, Xieng Khuang, Laos.* Led medical team as Preceptor / Lecturer at Medical Training Conference. Conference organized by Samaritan’s Purse in conjunction with a) Office of Graduate Clinical Education, Faculty of Medicine, University of Calgary, b) International Health Program, Faculty of Medicine, University of Toronto, and c) Ministry of Health Lao PDR. During conference, gave lectures and bedside teaching to Lao physicians as well as to a team of 15 Canadian physicians, residents, medical students, and allied health workers. Installation of water filter.
- 05/13/1997 University of Calgary, Rockyview Hospital Grand Rounds. *Parvovirus and The Newer Herpes Viruses.*

H. Dele Davies, MD – Curriculum Vitae

- 04/04/1997 University of Calgary, Peter Lougheed Hospital Grand Rounds. *Parvovirus and The Newer Herpes Viruses.*
- 02/07/1997 6th Annual International Pediatric Infectious Diseases Course, University of Calgary.
 1. *Urinary Tract Infections - Can You Justify Evaluations in All Children?*
 2. *Parvovirus and The Newer Herpes Viruses - What You Should Know About Them.*
- 10/20/1996 Alberta Respiratory Diseases Symposium, Banff, Alberta. *Respiratory Infections Caused by Group A Streptococci.*
- 10/10/1996 University of Calgary, Calgary General Hospital, Family Medicine Rounds. *Fever in Children: Investigation and Management.*
- 10/01/1996 Carbon (Alberta) and Regional Physicians Conference. *Update on Infectious Diseases.*
- 09/23/1996 Brooks (Alberta) Physicians Conference. *Fever Without Focus in Children.*
- 08/29/1996 Saskatoon and District Medical Society Conference. *Fever Without Focus in Children.*
- 05/29/1996 University of Calgary, Foothills Hospital Neonatology Consultants Rounds. *Invasive Candida Infections.*
- 05/26/1996 University of Calgary, Rockyview Hospital Family Practitioners Grand Rounds. *Neonatal Group B Streptococcal Infections.*
- 05/06/1996 Calgary Regional Infection Control Practitioners Grand Rounds. *Group B Streptococcal Infections.*
- 05/05/1996 Alberta Children's Hospital Child Health Research Unit Rounds. *Easy Referencing with Endnote.*
- 02/09/1996 5th Annual International Pediatric Infectious Diseases Course, University of Calgary.
 1. *High Fever Without Focus of Infection, Do We Have A Consensus on Whom to Treat?*
 2. *Neonatal Group B Streptococcal Infection: Controversy, Myth and Reality.*
- 12/12-14/95 XVII Annual Convention of National Neonatology Forum, India. State of the art lecture. *Perinatal Infections.* Section Chair.
- 12/06/1995 University of Calgary Family Practitioners CME. *Respiratory Virus Infections.*
- 12/04-05/1995 All India Institute of Medical Sciences, Delhi, India. Pediatric Rounds: a) *Visual Diagnosis* and b) *Perinatal HSV Infections.* Also conducted bedside teaching rounds both days.
- 12/05/1995 Maulana Azad Medical College, India. Grand Rounds. *Perinatal HSV Infections.*
- 12/04/1995 Calgary Family Practitioners CME: *Emerging Infections: What You Need to Know.*
- 09/29/1995 37th Interscience Conference on Antimicrobial Agents and Chemotherapy, Toronto (American Society for Microbiology). State of the Art Mini Lecture: *Establishing Group B Streptococcal Prevention Programs.* Also Session Co-Chair.
- 05/26/1995 Alberta Children's Hospital Child Health Research Symposium. *Canadian Survey of Physician practices related to prevention of neonatal Group B Streptococcal disease.*
- 05/18/1995 Briar Hill Clinic Family Doctors: Round Table Discussion
- 05/11/1995 Edmonton Pediatricians Conference. *Emerging Pathogens*
- 05/05/1995 Quito, Ecuador Teaching Hospital, City-wide Rounds. *Flesh Eating Bacteria*
- 04/10/1995 CareWest Hospital Grand Rounds. *Flesh Eating Bacteria*
- 03/31/1995 Tribhuvan University, Nepal Health Care Research Seminar. *Epidemiology of Invasive Group A Streptococcal Infections.*
- 03/13/1995 Tribhuvan University, Nepal, Ground Rounds. *Invasive Streptococcal Infections*
- 03/10-24/95 Tribhuvan University, Nepal. Bedside teaching of Nepali doctors, didactic seminars. Exploration of establishment of linkage with pediatrics department
- 03/08/1995 Lethbridge Medical Society Conference. *Emerging pathogens: what you need to know.*
- 03/03/1995 4th Annual International Pediatric Infectious Diseases Course, University of Calgary.
 1. *Emerging Pathogens: What You Need to Know.*

H. Dele Davies, MD – Curriculum Vitae

- 02/23/1995 2. *Flesh Eating Bacteria: Much Ado About Nothing or The Eye of The Hippopotamus?*
University of Calgary, Peter Lougheed Family Practice Rounds. *The Febrile Child*.
- 02/21/1995 University of Calgary, Calgary General Hospital, Panel Discussion. *Occult Bacteremia in Children: A Look at Pandora's Box*.
- 02/01/1995 Infection Control Practitioners of Southern Alberta Conference. *Necrotizing Fasciitis*.
- 11/16/1994 Alberta Children's Hospital Grand Rounds. *Flesh Eating Bacteria. "Much Ado About Nothing or The Eyes of The Hippopotamus?"*
- 11/16/1994 University of Calgary CME for Family Doctors. *What to Do About Fever in Children*
- 05/06/1994 University of Calgary, Peter Lougheed Hospital Grand Rounds. *Group A Streptococcal Infections in Children*.
- 04/19/1993 University of Calgary, Calgary, Alberta Canada. Department of Microbiology Seminar. *Short Course Cefixime Versus Rifampin for Chemoprophylaxis of Streptococcal Carriers*.
- 02/19/1993 Mount Sinai Medical Center, Mount Sinai School of Medicine, New York, NY. Department of Pediatrics Morning Conference. *Randomized, Blinded, Comparative Trial Of 4 Days of Cefixime Versus Rifampin for Chemoprophylaxis of Asymptomatic Pharyngeal Group A Streptococcal (GAS) Carriage*.
- 07/08/1992 University of Toronto Combined Family Practice Rounds, St. Michael and St. Joseph Hospitals. *Common Childhood Exanthems*.
