

# UNMC College of Dentistry 125th Anniversary Time Capsule

## *Instructions for Artifact Submission*

### **1 Selection of Artifact:**

Choose an artifact that holds significance to your experience at the UNMC College of Dentistry. This could be an item, document, photograph, or any other tangible object that reflects your time as a student or alumni.

### **2 Artifact Description:**

Provide a brief description of the artifact, including its significance to your experience at the College. Explain why you believe it should be included in the time capsule and how it represents your connection to the College of Dentistry.

### **3 Artifact Preservation:**

Ensure that the artifact is in good condition and can withstand being stored for an extended period. Avoid submitting perishable items or anything that may deteriorate over time.

### **4 Documentation:**

Include any relevant documentation or context about the artifact. This could be a personal statement, historical background, or anecdotes related to the item.

### **5 Submission Process:**

Submit your artifact along with its description and documentation to:

UNMC College of Dentistry Alumni Association  
C/O Catherine Mello  
985200 Nebraska Medical Center  
Omaha, NE 68198-5200  
catherine.mello@unmc.edu

By following these instructions and best practices, alumni can contribute meaningful artifacts to the UNMC College of Dentistry's 125th-anniversary time capsule, ensuring that their experiences and memories are preserved for opening the time capsule in 2074 at the 150th anniversary of the College.

**To be  
included in the  
time capsule, items  
must be submitted by  
Friday, September 20.**
