THE COLLEGE OF DENTISTRY INNOVATION FUND SUPPORTED:

- the annual White Coat Ceremony where incoming students are formally welcomed into the College of Dentistry;
- student scholarships that empower exceptional students to become tomorrow's leaders in dentistry;
- sending students to national conferences to engage in professional exploration; and
- emerging college priorities, including expanding the college's educational, patient care, research and outreach programs.

"Thank you for supporting the UNMC College of Dentistry Innovation Fund. Your contribution is essential to our progress and success. We deeply value and appreciate your partnership, as it drives forward dental education, research and innovation. Your support not only benefits our current students, but also paves the way for future generations of oral health care professionals."
