

COLLEGE OF MEDICINE INNOVATION FUND REPORT

July 1, 2023-June 30, 2024

FUNDS RAISED:

\$122,642

DONORS:

436

SUPPORT FOR UNMCAA:

\$80,000

SUPPORT FOR COLLEGE OF
MEDICINE STRATEGIC
INITIATIVES:

\$42,642

THE COLLEGE OF MEDICINE INNOVATION FUND SUPPORTED:

- the people and programs of the UNMC Alumni Association;
- the annual White Coat Ceremony for M1s;
- the purchase of “test banks” for students. The test banks are databases of questions designed to help prepare medical students for important national examinations to assess their understanding of the science and clinical reasoning that are foundational to the practice of medicine; and
- the work of the College of Medicine Student Wellness Advocate. The student advocate promotes student well-being, self-care, professionalism and informal mentoring opportunities. This year the new Wellness Hub opened, a physical area that provides a nurturing, supportive and uplifting environment for all medical students.

“On behalf of the students, faculty and staff at the UNMC College of Medicine, I extend my deepest thanks to everyone who contributed to the College of Medicine Innovation Fund. Your generous support is a testament to your commitment to the future of our college and empowers us to pursue initiatives and projects that would not be possible without your philanthropy. Private giving serves as a vital catalyst for transforming our medical students into outstanding physicians. We are sincerely grateful for your steadfast dedication to the UNMC College of Medicine and its impact on Nebraska and beyond.”

Bradley Britigan, MD
Dean, UNMC College of Medicine
