THE COLLEGE OF PUBLIC HEALTH INNOVATION FUND SUPPORTED:

- student research and awards; and
- excellence in teaching awards.

“At the College of Public Health, we are deeply grateful for the generous support of our donors. Your contributions to the Innovation Fund are vital in advancing student research and recognizing excellence in teaching. Through your commitment, we are able to nurture the next generation of guardians in public health, ensuring they have the resources and encouragement needed to excel. Thank you for partnering with us in this crucial endeavor to drive innovation and excellence in health care education.”

Ali S. Khan, MD, MPH
Dean, College of Public Health
