

Join us. Friday, Sept. 27 from 7:30 a.m. - 4:30 p.m.

The Nebraska Perinatal Quality Improvement Collaborative (NPQIC) provides evidence-based knowledge and expertise to providers and nurses caring for mothers and newborns.

The **2024 NPQIC Fall Summit: Transforming Perinatal Care for All Nebraskans** will cultivate a deeper understanding of the complex landscape influencing disparities in maternal and infant health outcomes. Sessions will equip health care teams with the most up-to-date practices around nutrition in pregnancy, syphilis in the perinatal period, substance use in pregnancy, engaging patient partners in quality improvement (QI), and understanding data for QI. Summit sessions will provide an opportunity for networking and exchanging knowledge.
