

PALS

PEDIATRIC ADVANCED LIFE SUPPORT

ABOUT THE COURSE

PALS is a nationally recognized program designed by the American Heart Association to train pediatric health care providers in managing critically ill infants and children. This comprehensive course combines small group lectures, hands-on demonstrations, case-based scenario evaluations, and skill practice to ensure effective learning and application in real-world situations.

The **PALS Provider** is a two-day course designed for health care providers who are new to PALS, would like to enhance their knowledge and skills, or need to renew an expired PALS card.

Prerequisite: Current AHA BLS Provider card
Credit: 14 AMA PRA Category 1 Credits™

The **PALS Renewal** is a one-day course designed for health care providers who have previously completed an PALS Provider course and have a solid understanding of its content.

Prerequisite: Current AHA BLS Provider card AND Current PALS Provider card
Credit: 7 AMA PRA Category 1 Credits™

WHY CHOOSE US

The UNMC Center for Continuing Education is a certified American Heart Association Training Center. Our educational activities are led by expert field providers and clinicians who utilize state-of-the-art simulation equipment to enhance your learning experience.

Too busy for a traditional classroom course or struggling to find an in-class that fits your schedule? Explore our blended courses and personalized training options!

Looking for personalized or customized group training? We've got you covered! We accept requests for tailored individual or group classes, and our instructors are available statewide to provide training at your location.
