

# UNMC 7<sup>th</sup> Annual Graduate Medical Education Research Symposium

April 29, 2025 | @ 3:00 PM | Truhlsen Events Center

The Annual Graduate Medical Education (GME) Research Symposium provides an opportunity for house officers to present their research or scholarly activity in Oral or Poster formats.

Abstracts already submitted to other meetings can also be submitted as long as they do not infringe upon proprietary or copyright issues of the other forum/journal.

Accepted abstracts will be published in the Graduate Medical Education Research Journal (<https://digitalcommons.unmc.edu/gmerj/>) unless the submitting authors indicate otherwise on the submission form.

Awards will be presented for the best Oral and Poster presentation.

The previous GME symposium, held in April 2024, was a tremendous success, with more than 100 house officers presenting their research at the symposium.

## Abstract Submission Open!

[https://unmc.formstack.com/forms/annual\\_gme\\_research\\_symposium](https://unmc.formstack.com/forms/annual_gme_research_symposium)

Deadline for Submission of Abstract: January 07, 2025
