

# The Global Glance

A Monthly Update from the Office of Global Engagement  
June 2024

## Visa and Immigration

### Premium Processing Changes

U.S. Citizenship and Immigration Services (USCIS) recently changed premium processing calculations from calendar days to business days. Therefore, the 15-day guarantee only applies to days from Mondays to Fridays. This change will slightly increase processing times for premium processing cases for UNMC's applications to sponsor employees for H-1b employment and for permanent residence.
