

# iEXCEL SURGICAL TRAINING REQUEST FLOW

Training request received through iEXCEL scheduling form

Request reviewed by scheduler and sent to Manager, Adv. Surg. Sim.

Manager to speak with Requestor to obtain specific tissue need

Manager reaches out to Vendor for tissue availability and quote: Full Body\* – Nebraska Anatomical Board; Segmented Tissue – Outside source

*\*full bodies are requested from outside vendor in the event the Nebraska Anatomical Aboard cannot supply*

iEXCEL prepares quote and sends to Requestor for review and signature

Signed quote received. Anatomical request form completed with date and time of delivery

Email confirmation for specimen and date

Lab approved in the iEXCEL scheduling system

Email sent to requestor to notify that tissue and lab request has been secured
