

# iEXCEL Emerging Technology Showcase

hosted by **IVRHA** International  
Virtual Reality  
Healthcare  
Association

Join iEXCEL and the IVRHA for the Emerging Technology Showcase on October 10 from 9 a.m.–3 p.m. World-class industry leaders in the realm of immersive technologies for health care education will showcase their latest innovations through hands-on demonstrations. Faculty, students and Nebraska Medicine are warmly invited and will be encouraged to provide feedback and teaching implications for the interactive experiences.
