NEBRASKA

Good Life. Great Mission.

DEPT. OF HEALTH AND HUMAN SERVICES

STATE OF NEBRASKA

TARGET AUDIENCE

This accredited continuing education activity is designed for physicians, advanced practice providers, nurses, and rehabilitation specialists.

Paid by the Preventive Health and Human Services Block Grant number 93.991

ACCREDITED CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by University of Nebraska Medical Center and Nebraska Department of Health and Human Services. University of Nebraska Medical Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

GLOBAL OBJECTIVES

- Differentiate the initial steps in managing hemorrhagic stroke, acute ischemic stroke, and ruptured aneurysms.
- Discuss approaches to managing patients presenting with acute stroke and carotid occlusions and how these cases differ in women.
- Explain how reproductive and sexual health factors can contribute to stroke risks in women and the importance of communicating these risks to patients for appropriate prevention and outcomes.

Physicians/Physician Assistants

The University of Nebraska Medical Center designates this live activity for a maximum of 6.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses/Nurse Practitioners

The University of Nebraska Medical Center designates this activity for 6.25 contact hours. Nurses should claim only the contact hours commensurate with the extent of their participation in the activity.
