Meeting ID: 980 7370 5132; Passcode: 649563

Learning Objectives:

- Explain the difference between advantage and privilege
- Describe the four types of racism and how they affect health outcomes.
- Utilize interventions within an ecological framework, the Toxic Schema of Stress (TSS), to identify stressors and improve health outcomes in vulnerable children and their families

Target Audience: Nurses and other interested healthcare professionals.

In support of improving patient care, University of Nebraska Medical Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The University of Nebraska Medical Center designates this activity for 1.0 ANCC contact hours. Nurses should only claim credit for the actual time spent participating in the activity.

Please RSVP by November 3 to Courtney Smith (courtneyl.smith@unmc.edu) if you wish to receive continuing education credit.
