Learning Objectives:

- Analyze the relationship between social media usage and mental/physical health outcomes in children and adolescents
- Evaluate the role of social media in shaping self-identify and social connections among children and adolescents

Target Audience: Nurses and other interested healthcare professionals.

In support of improving patient care, University of Nebraska Medical Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team. The University of Nebraska Medical Center designates this activity for 1.0 ANCC contact hours. Nurses should only claim credit for the actual time spent participating in the activity.

Please RSVP by February 7 to LaDonna Tworek (ltworek@unmc.edu) if you plan to attend in person in Omaha and I will send you a parking information. RSVP if you would like to receive continuing education credit (regardless of location or if you watch online).
