

**Announcement: Call for Research Applications  
May 16, 2018  
UNMC College of Nursing**

**The *long-term goal* of this research initiative is to promote an environment of research excellence and secure funding by faculty in the College of Nursing.**

**College of Nursing Research Grants** are available to assist faculty in developing their research programs. Funds available after IRB approval on or after January 1, 2019

**Type of Application/Award:** CON Seed Research Award (up to \$10,000)

**Through the 2019 Seed Research Award**, funding is available for:

- a) Feasibility/pilot studies that will launch new research programs;
- b) Collection of additional pilot data that will lead to larger projects with considerable potential for large, extramural funding;
- c) research development;

**How to apply:**

1. Read Instructions for a selected mechanism (see attached files)
2. Complete the Research Grant Application form (same for both awards)
3. Work with your mentor and team (including statistician) to prepare application
4. Participate in a Mock Review
5. Use 8-week timeline to pace your work (available [www.unmc.edu/nursing/research](http://www.unmc.edu/nursing/research))
6. Discuss with division Assistant Dean and Dr. Ann Berger, Associate Dean for Research

**Submission deadline:**

Please submit the application electronically by 4:30 p.m. (CT) on **October 17, 2018** to:
