

# Assistant/Associate Dean Approval Form

*Instructions:*

Principal Investigators should discuss their proposed project with their Assistant and/or Associate Dean early in the planning stage and obtain their approval(s) before moving forward. (Investigators included on non-CON grants should also speak with their Assistant/Associate Dean).

The NNRC must receive this signed form as soon as you are considering submitting, and no less than 2 weeks in advance of any grant application due date. It will be routed with requests for Dean's letters of support and/or budget approval from the Dean's Office.

Project

Title:
