

**Jyoti Roy, Ph.D.**

Title: Senior Scientist

Institution: AstraZeneca

LinkedIn: <https://www.linkedin.com/in/jyoti-roy-91140014>

**Biosketch:**

After acquiring Ph.D. in Chemistry from Purdue University in 2016, Dr. Jyoti Roy joined National Cancer Institute/NIH in 2017, where she worked as a postdoc and research fellow on PET imaging and radionuclide therapy. In 2021 she transitioned into the industry. She is currently working as a senior scientist in AstraZeneca, continuing her expert research in imaging.
