AHRQ/ECHO National Nursing Home COVID-19 Action Network Continuation Phase

Resources for Point of Care Staff

For a full list of resources on the following topics, please use your smart phone to scan the QR code below.
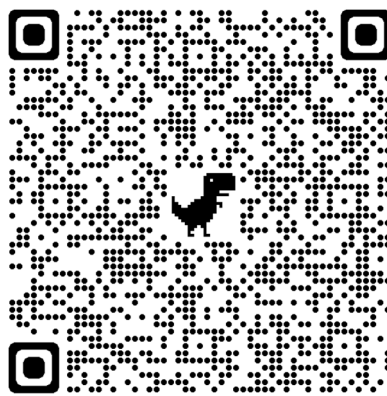

- COVID-19 Ongoing Identification and Treatment
- Post-Vaccination Practices
- Emotional and Organizational Support for Staff
- Ongoing Compliance with Vaccination and Testing
- Supporting the Psychosocial Wellbeing of Residents and Families or Care Partners
- Leadership Communication During COVID-19
- Leadership Practices and Behaviors to Support Teams During COVID-19
- Stopping the Spread of COVID-19

Scan QR code on iPhone
- Open the camera app on your iPhone, then point it at the QR code you want to open.
- At the top of the screen, there will be a notification alerting you of the source of the page - if you click this, it will take you to the page.

Scan QR code on Android
- Open the Bixby-enabled camera app on your Android (sometimes called Bixby Vision), then point it at the QR code you'd like to open.
- Once your camera views the code, it will automatically read and complete the action
