

“We want to be here for our boys.”

ROSIE AND JOE

Did you know that **3 in 10 untreated prediabetic people** will develop diabetes within five years? The Velasco family is on a mission to prevent, treat and reverse prediabetes – and they’re doing it together.

TAKE CHARGE *of your* FAMILY’S HEALTH

Visit **NEHealthMatters.org**
to take the risk assessment and learn how to
prevent, treat and **reverse** prediabetes!
