ADDITIONAL RESOURCES AND NOTES

☐ **MyRecords Immunization Center**
- Submit records through MyRecords, using your UNMC NetID and log in information.
- Immunization Center Guide for Students
- This guide will assist you with navigating the Immunization Center.

☐ **Immunization Requirements Guide for Physician**
If needed this guide can be used with your Healthcare Provider to ensure that you obtain all required vaccines and test.
**Official Immunization records will be required when submitting immunization information into MyRecords

☐ **Submitting Supporting Documents**
You can upload the following types of documents: PDF, DOC, DOCX.
- Do not upload documents that are password protected. Password protected documents cannot be read and will delay your application.
- HTML documents cannot be uploaded.
- Files with the following in the file names may cause errors: #, %, (,), @, ^, &, !, $.
- You cannot upload documents larger than 10MB
- File names cannot be longer than 60 characters
REMINDER: When naming your backup documents please use the name of immunization and date updated (example: hepb2_1-1-18).

☐ Once all checklist items above have been uploaded, please email StudentHealth@unmc.edu and **CC your Coordinator** so the process of validation can begin. To avoid delay in your start date this must be ****Completed 30 day prior to your start date***
