One (1) dose in the last ten (10) years; tetanus/diphtheria every ten (10) years

Tdap date:

Td date:

Additional Immunizations (not required for admission)

COVID-19 Vaccine: The COVID-19 vaccine is strongly recommended for ALL UNMC Students. Students are required to report their COVID-19 vaccine status by providing written documentation of being fully vaccinated for COVID-19 or having declined vaccination in MyRecords. Students who decline can request a UNMC Approved Medical or Religious Waiver, if needed for clinical placement. Students are encouraged to [contact UNMC Student Health](#) for the most up-to-date recommendations related to CDC requirements and recommendations for healthcare workers.

Influenza (Flu) Vaccination: Flu vaccination is required for ALL UNMC College of Nursing Students.

All UNMC Students are required to participate in UNMC related monitoring of Flu vaccination by confirming vaccination or declination using the [electronic monitoring processes established by the University of Nebraska Medical Center](#).

COVID-19

Influenza

Attach all supporting documentation. You will need to submit this information via your [MyRecords Immunization Center](#).

For questions, please contact UNMC Student Health at studenthealth@unmc.edu or call us at (402) 559-5158
